

Elkton City Council
Special Meeting Minutes
January 21, 2026

The special meeting of the Elkton City Council was called to order at 6:06 PM by Mayor Charles Remund. Council members present were David Bierman, Tal Farnham, Brooke Greve, Emily Schelske, and Scott Stuefen. Council member Rick Weible was not in attendance. The purpose of the meeting was to discuss the finance office hours and to review the policy and procedures of the city.

Motion by Farnham, second by Stuefen to approve the agenda as presented. All in favor – motion carried.

The employee committee met with concerns of the office hours for the finance office in the absence of the Finance Officer. With Schuurman having some recent absences due to medical issues, the committee wanted to make sure things were covered and the office was open enough. After some discussion it was decided that the committee would reach out to the part time help and find out how many hours and work she is comfortable with. They may advertise for a fill in to learn more of the finance side of the office in case there is a need.

The discussion on the policies and procedures included that there may need to be an update to the manual. It has been updated since it was created in 2012, just the date wasn't changed.

With no further business before the council, the meeting was adjourned at 6:37 following a motion by Farnham, second by Bierman. All in favor – motion carried.
